

Hello Students,

The grades have been submitted. Only the highest score of the exam (midterm/final) was counted (twice). The extra credit significantly helped most of your homework grades. If you would like to pick up your homework 4 or review your "Final Exam", please send an email to [aalazza1@gmu.edu](mailto:aalazza1@gmu.edu). I will make myself available Friday 12/22/06 at JC from 5 PM to 6 PM if I get any requests.

Wishing you all the best!
